# HILLSIDE HIGH INTERNATIONAL SCHOOL

The school opened its doors in January 1994 with a handful of scholarship students from the local community and soon began to grow. Under Mr Park's dedicated leadership, an ethos of serious learning in a gentle and peaceful environment was cultivated. Many students have passed through the school with excellent qualifications, knowledge and skills. Reconnecting with old-students via reunion events is part of the school culture and I was honoured to be part of their organising committee.
